

D C  
Use a recharged battery when batteries are required.  
C G  
There is less junk that is wasted and less stuff that is wired.  
D C  
Unplug the stereo, toaster and the lamp.  
C G  
Power down what you can. There is no such word as can't.

D C C G  
Power Up Power Down, Power Up Power Down  
D C C G  
We have got the power, to power up and power down.

D C  
You can power down with speed. Just take it slower.  
C G  
Give yourself more time and keep your energy use lower.  
D C  
Now you can make a difference in a small way.  
C G  
Just change one little thing every day.

D C C G  
Power Up Power Down, Power Up Power Down  
D C C G  
We have got the power, to power up and power down.
